136A York Street Bedford
PEACE AND PRIVACY, AND.....LOCATION!

In a whisper quiet Bedford location right in between Beaufort Street and the railway line, you will find this almost level land, where the subdivision has been completed. Tucked away behind a gorgeous and renovated character cottage, enjoy total peace and privacy in this sought after Bedford position.

A whisper clean Survey Strata opportunity with no common property on the lot what so ever, the land comes with concept plans that have been customised to suit the block itself. They are for reference purposes and should you choose to utilise these ? you can deal direct with the designer to complete your dream and lodge with council for approval.
