4 Meenaar Crescent COOLBINIA Advance to "Go" and Collect Two Coolbinia Classics

Take advantage of one or both of these Coolbinia Classics that can be either smartly renovated or superbly replaced in a super convenient cul de sac locale, both on substantial portions of land. Originally designed with some of the very best architectural appointments from the 1960's and 70's you can choose to either renovate and retain or simply create your own contemporary masterpiece.

With a variety of options that are generally well supported by council - subject to all council approvals, you could be the envy of everyones eye in this tightly held enclave where some you know your money will be well spent and
