Flooded with natural light, and positioned perfectly with views across to the park, this contemporary home blends bright spaces with practical easy-care low maintenance living. In immaculate condition, a flowing floorplan presents two separate living spaces with stylish tiling to open plan living and warm carpet to lounge/theatre. Plus take advantage of the additional study zone/play nook area for those that need that extra little bit of added space. A North facing covered alfresco flows seamlessly from the open plan living and the central kitchen comes complete with overhead cupboards, dishwasher, breakfast bar and wide gas hotplate to make sure cooking
