Inglewood **SERENITY IN THE CITY**

This exceptionally spacious bi level home is set ever so pleasantly in one of Inglewood's most tightly held enclaves and is surrounded by prized leafy landscapes that are available to a only select few in the area. Tucked away with the beauty of mother nature right on your doorstep, you will hardly believe you are actually living a mere 6km from the city. Embrace endless peace and privacy coupled with an ultra-convenient and practical address, you will be footsteps to everything the area has to offer where parks, nature walks, buses, schools and more can all be found very, very easily.

Features include but not limited to:

- ? Generous flowing layout features well zoned living areas upstairs and downstairs
- ? Separate Formal lounge directly off the formal entry
- ? Four bedrooms upstairs plus separate study/upstairs activity zone
- ? Additional Bedroom downstairs or second office/study ? you choose
- ? Private rear outlook to tranquil nature reserve as your gorgeous backdrop each and everyday
- ? Well-proportioned bedrooms all fitted with built-in wardrobes
- ? Neatly appointed kitchen with built in Pantry
- ? Ensuite to Master Bedroom and Main Bathroom with Bathtub
