Inglewood **APPEALING AVENUE VILLA**

Located in a small complex of only eight, this light and bright villa sits within the beautiful avenues of Inglewood. Only a street away from the attractions of Beaufort Street including Miss Kitty's Saloon and the popular night markets, this is a prime Inglewood location. It is the perfect match between neighbourhood and lifestyle where everything you could possibly need including transport, shopping, dining, post office and library, are all within walking distance.

The spacious villa is decorated in a neutral palette with limestone coloured tiling and light carpets. It awaits your personal touches to truly bring it to life. This is an entry point property into lovely Inglewood and is catchment for both Inglewood Primary and Mount Lawley High School.

It is the perfect lock and leave property with an attractive, low maintenance courtyard and lots of visitor parking.

Best of all, the complex is a self-managed strata and the annual levy is only \$500.
