224 Lawrence Street Bedford
Love the Lifestyle and Live the Location

Soak up the serenity of this free flowing 4 bedroom home, with its born again floorplan that offers a seamless and savvy combination of genuine comfort and casual convenience. Offering dual living zones and all that is important when considering space and privacy for years to come, this home is simply perfect for a small family to enjoy. Likewise those looking to move to a peaceful Bedford location, in the market as a first time buyer or those who simply need to right size and just don't want to compromise and need that little bit of extra space to bring with them all that is dear.

You will love the lifestyle that this home provides, because:
Of the dual living zones that form part of the cleverly configured floorplan, and
A sensationally spacious open plan living area blessed with soft earthy tones
Where the kitchen sits at the heart of the home, plus
Not to mention low maintenance outdoor spaces that are perfect for easycare entertaining,
