My House My Castle

King of the Hill!
Where else would you expect to find such a magnificent Masterpiece? Right on top of a hill, that's where!

Homes with this level of construction calibre are impossible to find and when the original owners vision becomes your new reality, you will simply adore and appreciate every drop of design detail that went into this Timeless Treasure. Built circa 1971 and occupying 636sqm of Prime land, you will be greeted and graced by just under 400sqm of living both inside and out that includes a jaw dropping basement PLUS a 4-car undercroft garage. With a floor-plan that is precisely perfect for large families or those who work from home needing to separate their work/home life zones, anyone that also seeks genuine space for all their hobbies and interests will no doubt revel at the opportunity of
