140A Seventh Avenue Inglewood
"Minglewood"

Inspiring and incomparable, this alluring Contemporary Classic is a true expression of edgy urban design and offers a unique blend of New York Vibes with Inner Urban Chic. Step into a world where original interiors meet sleek contemporary style and experience the very essence of modern day living. Journey a little further and embrace the striking outdoors where rustic industrial charm combines a variety of entertaining and mingling spaces.

In a Prime Inglewood Avenues position, this delightful setting provides exclusive access to the inviting Beaufort Street lifestyle where an almost dazzling inner-city mood combines with the comfortable and the calm!

Spectacular Highlights of this Stunning Home Include:
